

STUDENT'S NAME: Carlos Ramsses Martínez Hernández

FACILITATOR'S NAME: Ana Yazmín Viveros García

At the end of each week, and once you have worked with your pathway,
please answer the following questions.

1. Which learning objectives did you achieve this week?

I learned how to describe my dream house

2. Which learning strategies did you use when working on line? See the document
"Conceptos Básicos sobre Autonomía" that is available in the first week on Eminus)

I used the cognitive style since it is the one that has for me,
i also used the sensory style because i listen to music in english

3. Did you have any problems or difficulties with the topics studied this week?

This week was interesting because we learn how to describe my dream house

If so, what are/were these problems/difficulties?

I had not difficulties

4. What did you learn?

I learned more vocabulary and some structure also I practiced my speaking

5. What do you need to improve?

My listening and my grammar

6. How did you feel?

I felt good and comfortable with this course, also im learning so much

7. What are you planning to study next week?

maybe more speaking and the next topic of the course
